

# MEET YOUR SUPPORT TEAMS!

i-to-i

## The TEFL Advisor Team

Anything these guys don't know about TEFL courses isn't worth knowing! They are an amazing bunch of friendly TEFL experts, who will help you select the right course/internship for your needs, so you can live your TEFL dreams!

## The Academic Support Team

A great set of people to have in your corner if you find yourself stumped by a section of the course! This wonderful team will come to your rescue ASAP and talk you through anything you need help with, so you can pass your course and start earning!

## The TEFL Tutor Team

Want even more backup on your course? We've got you covered! Our DELTA-qualified tutors are experts in teaching TEFL, and helping new teachers through our courses. They will give you feedback on your assignments and make sure you're learning how to be the best TEFL teacher you can be!

## The Customer Support Team

Find yourself fighting with technology? Our customer support team are here to save the day! If you have any issues accessing the platform for your course, or downloading your TEFL certificate, they will sort it out for you! They are even available to help with any internship queries - a multi-talented bunch!

## The Jobs Team

This brilliant group is dedicated to helping you find that perfect TEFL job. Headed up by Jordan, who is an expert as he's been through the process himself, this team is available to talk you through every stage of your job application, from CVs to demo videos and interview prep!
