MAKING TEFL ADVENTURES HAPPEN SINCE 1994

1994

i-to-i TEFL was born (hooray!) and we started training up teachers ready to take English classes all over the world. This same year we pioneered the 2-day classroom course, changing the way TEFL works forever!

2001

The year we launched the first online TEFL course! With a TEFL course entirely online, our teachers can fit the flexible training around even the busiest life! Plus, with 24/7 access through any internet-connected device, you can train from anywhere in the world!

2003

By 2003, over 50,000 happy i-to-i graduates were living the TEFL dream – from Spain to South Korea, Taiwan to Tanzania, but we didn't want to stop there...

2006

Back in 2006, we were the first company to send TEFL interns all the way to China! Our international connections with schools in this amazing country are still strong to this day!

This huge year saw us reach 100,000 TEFL graduates... We're proud to have supported such a huge amount of teachers to reach their TEFL dreams!

Joining forces with LoveTEFL dominated this busy year – a partnership we've never looked back from! In other news, we also launched our jobs board and it quickly became THE place to find the best TEFL jobs all around the world!

2018 - BEYOND!

Seeing our graduates transform into awesome teachers with amazing stories to tell never stops being a brilliant feeling!

WITH TRAVEL IN OUR BONES AND CONTACTS AROUND THE WORLD, WE THRIVE ON TURNING TEFL DREAMS INTO EXTRAORDINARY ADVENTURES!
