

Application Procedure: Teaching Internship China Summer 2020

STEP 1

Please follow this link to lodge your application. Be sure to select the Teaching Internship China option: <https://global-applications.org/a-129783529/>

You will be required to fill out your profile with your personal information, contact details and required to upload the following:

- Your CV
- A professional photo
- A copy of your passport
- A copy of your most recent education qualifications

If you don't have all the documents, you can [resume your application here](#) to upload your documents.

STEP 2

ImmerQi will assess your application, where you will be notified of acceptance/rejection within 7 working days.

STEP 3

ImmerQi

After acceptance you will be contacted by an ImmerQi Program Advisor via email who will provide you detailed information on the program and China. We will also arrange a Skype call in which ImmerQi will discuss important information and answer any questions you have.

Apply for your background check and submit to ImmerQi as directed by ImmerQi (depending on the country this can take up to 6 weeks). ImmerQi will notify of the deadline once application has been accepted.

STEP 4

All accepted applicants will be supplied an online application form from ImmerQi to apply for their visa documents. Detailed instructions will be given.

IMPORTANT:

- Applicants should not apply for their visa before receiving a Letter of Invitation from ImmerQi. Your program coordinator will provide any guidance you require during your visa application process.
- It is advisable for applicants to wait until they have obtained their visa to purchase flights. We recommend that you purchase a flexible return flight.

We look forward to seeing you in China soon!
