

References Form

Please provide us with two character references. They need to be two individuals that aren't listed as your emergency contacts.

Reference 1 (to be completed by the referee):

Name	
Relationship to candidate	
How long you have known the candidate?	
Contact Number	
Email Address	
<p>The candidate will be taking part in the Thailand TEFL internship. This is a two-month long internship where the candidate will be responsible for teaching English to children aged 4-17 years old in a classroom environment. This will involve planning and delivering lessons, along with the general safeguarding of the children.</p>	
Why would you recommend the candidate for the programme and are there any reasons why you think they wouldn't be suitable?	

Reference 2 (to be completed by the referee):
