

# JENNI BROWN

## TEFL CERTIFIED ESOL TEACHER

I pride myself on creating communicative and innovative lesson plans, which review new vocabulary and grammatical structures, giving my students the confidence to develop and put into practice what they have studied. I also give students the tools they need to improve their English after the lesson or course by developing study skills.

## ABOUT ME

- Completed Delta and holds Postgraduate Certificate in ELT and Professional Practice (Merit, 2018), completed a CELTA qualification
- 4 years' teaching experience at all ages and levels, including Cambridge Exam courses and Business English with experience teaching monolingual and multilingual classes in the UK and abroad
- Educated to Masters level at a prestigious British university

## EXPERIENCE

### JULY – AUGUST 2018

#### SUMMER SCHOOL, (LONDON, UK)

- Taught classes of 14-16 year olds General English in a summer school environment for 4 weeks.
- Students were multilingual from a range of countries worldwide and at upper-intermediate level. Taught engaging lessons supplemented by the Speakout coursebook series.
- Demonstrated excellent communication skills as some children in the summer school were very low-level and needed help with all aspects of summer school life.
- Managed time well. Alongside teaching, other responsibilities included waking up and putting children to bed, managing breaktimes and lunchtimes.

**OTHER INFORMATION**

I enjoy using Twitter to communicate with other teaching professionals around the globe. I often participate in the #eltchat conversation on a range of topics. I also write a blog providing tips for new teachers.

In my spare time, I enjoy weightlifting, swimming and watching old series of crimedramas.
