ABOUT ME

I am a creative and motivated person with a real interest in teaching children.

I have experience managing other staff members.

My background in tutoring students to play the guitar shows that I am a sociable and communicative person.

I am TEFL qualified with a 120 hour Level 3 qualification from i-to-i.

WORK EXPERIENCE

Irwell Bar, Cape Town (December 2018 - present)

- Developed customer service skills as I had to provide a consistent level of service on busy days.
- Demonstrated organisation and time management skills as I worked 24 hours per week whilst teaching guitar lessons in my free time.
- Developed my skills as a team player as we had to work together as a unit to ensure the smooth running of the bar.
- Acted in a supervisory position when my line manager was absent. This included delegating work to other colleagues.

INTERESTS

- I play guitar to a high level and have taught guitar lessons to children locally for 4 years.
- I enjoy going to music concerts and listening to a wide range of music in my spare time.
- Since I was younger, I have enjoyed taking part in amateur theatre productions - I enjoy both acting and being 'behind the scenes'.
- I enjoy outdoor pursuits such as walking and camping.
- Travelling is a huge passion of mine. I love exploring new countries, finding out about different cultures and cooking food from the places I've seen.

QUALIFICATIONS

Level 3 i-to-i 120 hour TEFL course (July 2019 - Pass)

To pass this assignment, I completed a test and wrote a PPP vocabulary lesson plan for a group of young learners.

Matriculated (2018)
