Course Breakdown

In case you're curious, here's a brief summary of the modules you'll complete during the [120 Hour Online TEFL Course](#):

PLANNING A LESSON

Module 1

In the first module, you'll learn the art of lesson planning – the essential tool of any good TEFL teacher. Planning a fun and engaging lesson will not only help your students but it'll also give you confidence and a strong foundation to base your class on. You'll cover:

- Teaching methodologies
- What to include in a lesson plan

- How to set out a lesson plan
- Adapting your lesson for different types of classes

And by the end of the module, you'll have the skills to produce a well-structured lesson plan for a variety of ages and class sizes.

LESSON CONTENT

Module 2

So, now you know how to structure a lesson plan, next on the checklist is learning which content to cover in your lessons. You'll go through:

- Vocabulary
- Grammar
- The four key skills: reading, writing, listening, and speaking

Don't worry! It's all content that you already know from speaking English, so you'll just be refreshing your knowledge and learning how to adapt it into lesson plan form.

MAKING IT WORK IN THE CLASSROOM

Module 3

Once you've got the theory down to a tee, you'll find out how to manage your teaching environment to make it easier for your students to learn. You'll find out how to:

- Create a good teaching environment for your students
- Use different approaches to help your students learn
- Deal with problems as they arise

COURSE ASSESSMENT

Module 4

The Course Assessment is designed to check your knowledge of the previous 3 modules. To pass the course, you'll need to complete all three stages to a satisfactory level:

1. The end-of-course test: this is a multiple-choice quiz with 58 questions based on the course material and you'll need to achieve 75% or above to pass.

2. Lesson plan: we'll give you a choice of scenarios and age groups to base your lesson plan on. You'll just need to fill in the lesson plan template and submit it to your tutor for grading.

3. Essay: you'll need to write 1,000-1,500 words to explain the thinking behind your lesson plan. This will also be submitted to your tutor for grading.

LEVEL 3 VS. LEVEL 5:

What's the difference?

You might have noticed, here at i-to-i, [we offer Level 3 and Level 5 Courses](#) – both of which will enable you to teach English online or abroad. Confusing, huh? Let us explain. The level of a Course directly relates to the difficulty of its content and the desirability of its certificate. The majority of TEFL courses on the market don't qualify for a level at all so you're already winning with any i-to-i TEFL course!

[A Level 3 TEFL Course](#) is the equivalent of a UK A Level qualification, it'll be recognised by employers worldwide and is best suited to anyone looking to volunteer as an English teacher. Whereas, [a Level 5 TEFL Course](#) is the equivalent of a foundation degree or a CELTA qualification, it'll be more desirable to employers and it'll allow you to find paid work at the most prestigious schools. In short, the higher the level of your TEFL course, the more employable you become. Simple!

FREQUENTLY ASKED Questions

Q: DO I NEED TO SPEAK ANOTHER LANGUAGE TO TEACH ENGLISH?

Nope! You won't be expected to learn the language of the country where you decide to teach, and your students will be expected to speak English at all times. Feel free to brush up on the basics before you go though, it'll help you get by!

Q: DO I NEED A DEGREE TO TEACH ENGLISH?

This really depends on where you want to teach. If you're interested in teaching online, you'll be able to find lots of companies that don't require a degree. For teaching abroad it varies between countries. Download our [FREE World TEFL Guide](#) to find out more.

Q: HOW MUCH GRAMMAR WILL I NEED TO KNOW?

Everyone's favourite! We'll teach you all the grammar you need. It won't be too in-depth because you'll probably be teaching conversational English so don't worry if you're not a grammar fan!

Q: HOW MUCH WILL I EARN?

Generally speaking, our 120 Hour Level 3 course is best for volunteer teaching positions, but this doesn't mean you won't be able to find any paid work.

Q: HOW SOON BEFORE I'M TEACHING ABROAD?

Eager beaver? The good news is you can start applying for work while you're working through your course – just let employers know that your qualification is in progress. Our TEFL Jobs Board is updated regularly so keep an eye out for jobs that suit you.

Q: WHAT IF I'M NOT A NATIVE ENGLISH SPEAKER?

No worries! As long as you have an advanced level of English, you'll be able to take this Course and teach English abroad. For plenty of TEFLers, English is their second language so you can most definitely find a TEFL job if you're not a native speaker.

Q: I'VE NEVER TAUGHT BEFORE. WILL THAT BE A PROBLEM?

Not at all! Most of our students have never stepped foot in front of a class so you won't be expected to have prior knowledge of teaching – that's exactly what this Course is for.

Q: HOW LONG WILL IT TAKE TO COMPLETE?

You'll be given 10 weeks to complete the course but most people finish it within 2-6 weeks on average. If you need more time, no worries! Your course can be extended any time.
