

# Ways to Improve your TEFL Earning Potential

i-to-i

## Take a Level 5 TEFL Course!

Completing a Level 5 TEFL course means that you will have a **CELTA-level qualification**. 90% of TEFL employers from our jobs board prefer a Level 5 TEFL qualification, so you'll be more in-demand and more likely to earn good money as a TEFL teacher!

Check out our [Level 5 TEFL Courses](#)

## Become an Online Tutor

65% of TEFL teachers want to teach online.

**That is a competitive market!**

Luckily for you, you can get ahead of the curve with our [Level 5 TEFL Courses](#), as they will specifically train you to be a great online TEFL teacher! You'll also be trained in other specialist areas essential for online work!

## Specialize in IELTS

Being an IELTS coach means that you will be able to help non-native English speakers work in countries where English is widely used.

IELTS coaches can **earn up to £45/\$60 an hour**.

Want to specialize in IELTS? Complete our

[500-hour Advanced Diploma](#), [420-hour Diploma](#) or [IELTS course](#).

## Teach Business English

English is the international language of business. So, you can imagine how vital it is for business professionals to learn.

You could **earn up to £45/\$60 an hour** if you specialize in teaching Business English.

Complete this module as part of our [420-hour](#) or [500-hour Diploma](#).

## Become a TEFL Entrepreneur

Want to keep 100% of your earnings? Start your own TEFL business!

Our [500-Hour Advanced TEFL Diploma](#) teaches you how to set up your own business, build a website, and how to market yourself to find students.
