A man is seen from behind, paddling a light-colored kayak on clear, turquoise water. He is holding a bright orange paddle. In the distance, a lush island with palm trees is visible under a bright blue sky filled with large, white, fluffy clouds. The entire scene is framed by a thin white border.

They ensure that online courses offered are of the highest quality for students and their accreditation is recognised in all states within the US, as well as international locations!

If you needed any more convincing, we're also accredited by the ODLQC (Open & Distance Learning Quality Council), an independent body who quality checks open and distance learning.

EMPLOYERS & GRADUATES ♥ OUR TEFL COURSES!

Our TEFL Courses and Diplomas are a head and shoulders above the rest, but there's no need to just take our word for it, here's a few kind words from some of our schools and graduates...

What our schools say...

Our i-to-i graduate's commitment in teaching and his helpfulness with new teachers has been astounding. The school has definitely made him their favourite teacher and if all our recruits were like him we would please every school we contract our teachers to.

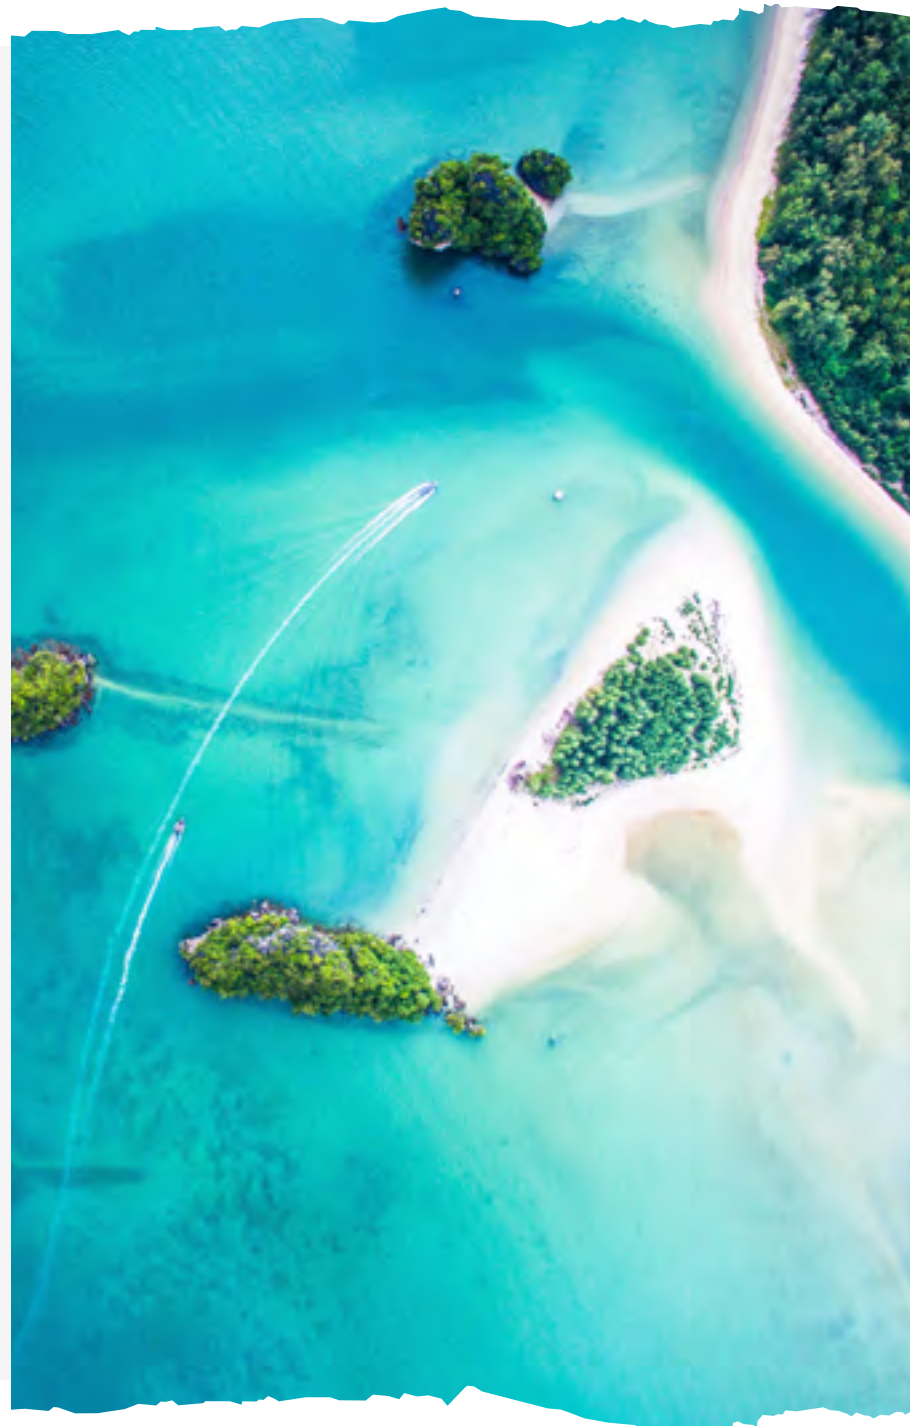

Mike Maitland, Managing Director of Echo English School

i-to-i work really hard to prepare their graduates for the realities of teaching English abroad. There are very few other courses that are as comprehensive which is one of the main reasons we like to work with i-to-i graduates!

Claire Negus, Managing Director, ESLstarter

The i-to-i graduates we have interviewed and hired over the years for our schools in China can always be counted on to deliver exceptional lessons. We often turn to i-to-i for our hiring needs and have complete confidence that their teachers will do a fantastic job inside the classroom.

Jim Althans, Director of Recruitment, Gold Star Teachers

What our graduates say...

Thanks to i-to-i, a year and a half ago I came to Granada in Spain. I work as an English teacher in a fantastic academy, I have a lovely house and fantastic life! I love teaching and my students are great. I am the happiest I have ever been, thank you!

Annie, TEFL Teacher in Spain

To everyone still doing their TEFL or thinking of doing it, the doors it can open for you are just amazing! You don't realise it until you actually finish the course and start sending your i-to-i certificate off, but you can literally go wherever you like and start a new life!

Sophie, TEFL Teacher in Taiwan

Not only was the course feedback extremely informative and helpful, the tutors themselves were very pleasant and quick to grade submissions. Also, whenever I had to deal with i-to-i staff, everyone was tremendously nice and helpful. Your company inspired me to finally go abroad, thank you!

Brendan, TEFL Graduate

TEFL CASE STUDY: *Jenny*

Our intern, Jenny is living the dream in sunny Thailand!
Find out what life's really like teaching abroad...

Q: WHY DID YOU DECIDE TO START TEACHING ENGLISH?

One year ago I reflected on my career and future plans. I was ready for a change and working with children was something I wanted to pursue as well as travelling to Asia. Then as if someone had read my mind, I received an email about teaching English in Thailand!

Q: HOW ARE YOU FINDING THE EXPERIENCE?

I come out of every lesson buzzing! Most of the time the lessons we have planned go down really well. Living in Thailand is also exciting and much easier than expected. The people of our local town are kind, the weather is delightful and the food is delicious!

Q: DID YOU DO A TEFL COURSE BEFORE YOU STARTED TEACHING?

Yes, the 120 Hour Online Course which was incredibly informative and also provided me with a tonne of activities and tips. Hands down this was the most useful preparation I could have done.

Q: WHAT WOULD BE YOUR ADVICE FOR SOMEONE THINKING OF TEFLING?

Don't sign up for this if you are only coming to Thailand to travel or party at weekends. You are going to be a teacher, delivering lessons that are important for the children. Give teaching your all and you'll have the best time possible!
