WHY CHOOSE *i-to-i?*

1

OUR WEALTH OF EXPERIENCE

We have been making dreams come true since 1994! We first launched as a TEFL brand and were the first company around the globe to provide TEFL classroom courses, and then the first to provide online TEFL courses back in 2001! Since then, we have used our thorough understanding of the education industry to launch other educational courses, including Trinity CertTESOL, A-Levels & GCSEs, Teaching Assistant courses, Early Years Education courses and Cover Supervisor & Supply Teacher courses. So, you're in good hands!

2

WE'RE ACCREDITED AND REGULATED

All of our courses are of the highest quality possible and have been externally regulated to confirm that fact. So, you can feel safe in the knowledge that you'll get the best training possible, and that your certificate will be recognised and respected by employers all over the world.

3

OUR TUTORS KNOW THEIR STUFF

Throughout your course you'll have guidance and support from our qualified tutors, who are highly trained in their areas of expertise and are ready to help you achieve your goals.

4

WE'VE TRAINED THOUSANDS OF TEACHERS

Our happy graduates number over 210,000! So, wherever you go in the world, you're bound to bump into fellow i-to-i alumni!

5

OUR STUDENTS LOVE US

On the unbiased review site www.reviews.co.uk, our students have rated us over 4.7 stars - we'll let the numbers speak for themselves.

YOUR Future Career...

Your GCSEs are the stepping-stone to your dream job! Whether you're taking a Maths GCSE to start your quest to becoming a fully-fledged Accountant or taking an

English Language GCSE to fulfil your aspirations of becoming a teacher, we are here to help you on your journey to achieving your career goals.

Where could your GCSEs take you?

TOP REASONS TO TAKE GCSEs

- Further your education
- Improve your career prospects
- Land a job you love

REVIEWS: GCSEs

“ The course structure is great. I completed a foundation Maths GCSE as I struggled my entire life with Maths. I can do these Units in my own time, as frequently as I wish, until moving on to the next. The context is concise, it gives you exactly what your brain needs to remember, and makes revising straightforward ”

Gabriella, Aug 2020

“ For many years I have been unhappy with my GCSE Maths results. Finally, I decided to do something about it. The website is brilliant, and the knowledge check reveals just where I am at prior to starting the course ”

Steve, Aug 2020

GCSEs

Further your education

The General Certificates of Secondary Education, also known as a GCSEs, are the qualifications taken to complete your compulsory education in the UK, and are typically taken at the end of Year 11 (when you're 16 years old).

GCSEs are mainly taught at schools in the UK, but are also internationally recognised, as they are offered at some education institutions in countries such as Australia, India, and Canada.

They are also recognised as an exceptional official high school qualification and act as a gateway to further academic study in the UK, whether that's completing your A Levels or enabling you to begin working on a job-related course, such as an NVQ or BTEC.

When applying for jobs you may find that some GCSEs, such as English and Maths, are considered a core competency, and achieving a Grade C/Level 4 or above is required to apply for the role. If you missed out on getting a qualification at this level, then our GCSE course could be the gateway qualification to your dream job!

Once you've chosen which GCSEs you wish to study, you'll complete your learning via our online learning platform, with well-structured and easy-to-digest study material. All learning is completed online, and you can access material 24/7, so you can study at your own pace. Throughout your studies you'll also have access to our tutor support, who are on hand to help you with any queries you may have. Once you're ready to put your new knowledge to the test, you can arrange your exam via one of our trusted partners.

WHAT CAN I EXPECT?

1. Support from our dedicated tutors
2. Study through our world-class learning platform
3. 100% online study
4. Complete the GCSEs at your own pace

Maths

GCSE Maths (Foundation Tier)

Get your Maths Foundation GCSE Qualification (including exam)

With your Maths GCSE (Foundation Tier) you'll master the core areas of Maths including: algebra, ratio, geometry, probability, and statistics. This could be achieved in as little as 6 months if you decided to study fulltime.

This course is ideal for you if you're looking to advance your knowledge in mathematics,

or you're looking for a qualification that will help propel you to further study.

You'll study for this Foundation Tier GCSE in the comfort of your own home, completing online quizzes as you go to keep you on track. Once you've worked your way through the Units, you'll be ready for your exam.

[VIEW GCSE COURSES >>](#)

*Please note, given that this course is a Foundation Tier, you can grade between 1-5, with 5 being the highest.

Maths

GCSE Maths (Higher Tier)

Get your Maths Higher GCSE Qualification (including exam)

With your Maths GCSE (Higher Tier), you will study the full Maths GCSE curriculum and learn how to apply mathematical techniques, to reason mathematically, and how to draw conclusions. You'll cover a range of topics including algebra, ratio, geometry, probability, and statistics.

This course is perfect for you if you missed out on getting a Maths GCSE (or didn't get the grade you needed) and it's a requirement for you to further your education or to apply for certain jobs. Undertaking the Higher GCSE also means that you are able to achieve up to a grade 9.

*Please note, the qualification will be graded on a nine-point scale, where 9 is the best grade. As this is the Higher Tier qualification, you will be awarded a grade within the range of 4 to 9. Should you fail to achieve a grade 4, you will be awarded a grade 3. If you fail to reach a grade 3, you will be recorded as U (unclassified).

ASSESSMENT

All your studying is online so you can start it and study whenever you want - there are no classes to attend! The only specific deadline to work towards is your exam - exam sittings are held once per year in May or June.

With i-to-i you will also be provided with a tutor who will answer any questions you may have, mark your assignments and provide you with guidance and feedback.

UNITS

During your studies you will cover the following Units:

- How to use your GCSE Foundation Maths supported course

*Please note, the qualification will be graded on a nine-point scale, where 9 is the best grade.

*Please also note that we do not offer the practical element of the Biology exam, it is your responsibility to organise this.

OUR CUSTOMERS SAY

'EXCELLENT'!

4.72 OUT OF 5 STARS!

6400+ REVIEWS!

HEAR FROM OUR AMAZING STUDENTS!

We really are here for you the whole way through, and we love helping you to succeed! From selecting the right course for you to supporting you with your studies, we're with you every step of the way. You don't need to just take our word for it though, check out what our amazing students have to say!

" I've done quite a lot of online courses in my life, but this course exceeds all expectations. The support you get from the tutors is absolutely amazing. They are so encouraging and helpful! Thank you for delivering excellence!" "

Johanna 18/01/2022

★★★★★

" I have recently just completed a couple of courses with i-to-i. What an incredible team! From the admin team to the academic team, to Jordan from the jobs team, who has been a superstar assisting me with my CV and where to find the ideal job! "

Michele 17/01/2022 ★★★★★

" Not your average distance-learning experience. These guys and gals are in a league of their own. I've tried and I really cannot come up with a single thing to fault them on "

Jolanda 24/01/2022 ★★★★★

" Had the best year of my life living and working abroad in Thailand and Vietnam. Thank you i-to-i team for always being there for your students! "

Britainy 01/02/2022 ★★★★★

" I have studied at various Universities (Harvard, Oxford Brooks, Unisa, Dublin Business School) all over the globe, and I have never had the level of support from any other institutions as the amount of support I received at i-to-i! "

Debby, 30/01/2022 ★★★★★
